

# LGA and ALDC at the Liberal Democrat Autumn Conference

Saturday 16 to Tuesday 19 September 2017  
Bournemouth International Centre, Bournemouth

# GROWING PLACES

## A GOOD JOB CLOSE TO HOME

With the coming years bringing some of the biggest changes seen in a generation, we're calling for local government to be given the powers, and fiscal freedoms, to ensure the nation remains economically buoyant and continues to thrive.

This party conference season, we're looking in depth at how we can help everyone get a good job locally. We'll be discussing why devolved jobs and skills support will make sure the UK remains a leading economy. Join our high-profile panel as we explore the issue – see right for more details.
